DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The amendment filed 2/7/2007 is Non-Responsive. Applicant has amended the claims in a manner that no longer reads on the elected invention. Claims 6-8, 10-11 and 14-16, as noted by Examiner in the Office Action mailed 11/7/2006, were drawn to a composition. However, amended claims 6-8 and 10-11 and newly added claims 14-16 filed on 2/7/2007, in response to the Office Action mailed 11/7/2006, now claim methods of inhibiting enzymes and treating diseases.
